Business Priority Health 6 Handbook Details of your Business Priority Health 6 insurance policy

April 2017

Thank you for choosing Business Priority Health from Health-on-Line.

There is a lot of detail in this handbook, but we want to make sure you've got all the information you need.

We've tried to make everything easy to follow so that your cover is easy to understand, but there's a lot to explain and healthcare can be complicated.

If anything is not clear, please call us.

Questions about your policy

0800 587 0957

6 Legal information	35
Details of the rights and responsibilities we have to each other	
7 Glossary	38
A list of terms in this handbook that have specific meanings	

1 Quick-start guide to your cover

This section explains the basics of your cover. It also tells you some of the key things that are not covered too.

Reading this section will help you to understand the rest of the information in the handbook.

The tables in this section only give you an outline of your cover. For full details of your cover, please read the rest of your handbook too.

1.1 > Why it's important to use hospitals or day-patient units in the hospital list

1.2 > Why it's important to use Priority Health specialists

1.3 > Your core cover – applies to all

1.4 > Extra cover from Options

1.5 > The main things we don't cover

1.6 > Help with medical questions or health worries – Health at Hand

Words and phrases in bold type

Some of the words and phrases we use in this handbook have a specific meaning. For example, when we talk about **treatment**.

We've highlighted these words in **bold**. You can find their meanings in the glossary or in the section they apply to.

You and your

When we use you and your, we mean the **policyholder** and any **family members** covered by your policy.

We, us and our

When we use we, us or our, we mean Health-on-Line on behalf of AXA PPP healthcare.

1.1 > Why it's important to use hospitals or day-patient units in the hospital list

If you have **treatment** at a hospital or **day-patient unit** that's not in the **hospital list** but is still recognised by AXA PPP healthcare, we will only pay 60% of the charges that AXA PPP healthcare would normally pay to that hospital or **day-patient unit**. You will be responsible for paying the remaining charges.

If you have **treatment** at a hospital or **day-patient unit** that's not in the **hospital list** and is not recognised by AXA PPP healthcare, you will be responsible for paying the full amount of the charges.

1.2 > Why it's important to use Priority Health specialists

If your **treatment** is provided by a **specialist** who is not a **Priority Health specialist** but who is recognised by AXA PPP healthcare, we will only pay 60% of the charges that would normally be paid by AXA PPP healthcare. You will be responsible for paying the remaining charges.

If your **treatment** is provided by a specialist who is neither a **Priority Health specialist** nor recognised by AXA PPP healthcare, you will be responsible for paying the full amount of the charges.

Not all specialists and specialties are available at all private hospitals.

We strongly recommend that you call us on 0345 600 7696 before you arrange a consultation or treatment so that we can check that you're covered.

1.3 > Your core cover – applies to all

This table shows you the core cover your policy gives you.

Core cover table		
If you're an in-patient or day-patient		
Private hospital and day-patient unit fees	✓ Paid in full so long as you use a private hospital or day-patient unit listed in the hospital list	Including fees for in-patient or day-patient : <ul style="list-style-type: none"> • accommodation • diagnostic tests • using the operating theatre • nursing care • drugs • dressings • radiotherapy and chemotherapy • physiotherapy • surgical appliances that the specialist uses during surgery. <p>» For details, see 3.8</p>
Specialist fees	✓ No yearly limit so long as you use a Priority Health specialist	Includes fees for: <ul style="list-style-type: none"> • surgeons • anaesthetists • physicians. <p>» For details, see 3.6</p>
Hospital accommodation for one parent while a child is in hospital	✓ Paid in full	Covers the cost of one parent staying in hospital with a child under 16. The child must be covered by your policy and be having treatment covered by it.
Hotel accommodation for one parent while a child is in hospital	✓ Up to £100 a night up to £500 a year	Covers towards the costs for one parent to stay near to the private hospital where a child under 16 is having treatment. The child must be covered by the membership and having treatment covered by it. We will not take any excess off this cash payment.
If you're an out-patient		
Surgery	✓ No yearly limit	» For details, see 3.8

Other cover		
Ambulance transport	✓ Paid in full	If you are having private in-patient or day-patient treatment and it is medically necessary to use a road ambulance to transport you to another medical facility.
Cash payment if you have chemotherapy or radiotherapy free on the NHS	✓ £50 a day up to £2,000 a year	If you choose to have day-patient or out-patient chemotherapy or radiotherapy to treat cancer on the NHS. We will only pay this if the treatment would have been covered by your policy. If your policy has an excess, you do not have to pay this if having this treatment . The six week safety net applies to this cash payment. This means that if the NHS can give you the treatment you need within six weeks of when you need it, it would not be covered under your policy so you can't claim this cash benefit. » For details, see 4.1
Health at Hand	✓ Direct access to healthcare experts 24/7	» For details, see 1.6

1.4 > Extra cover from Options

The following tables show you what cover your Options give you. Your policy guide shows which Options you have chosen.

Out-patient Options

Standard Out-patient Option table

Cover applies when you're an **out-patient**

Specialist consultations	✓ Up to two consultations a year	We pay for consultations in the order we assess the claims, which may not be the same order that you had the consultations. So the consultations we pay for may not be the first two that you had. » For details, see 3.7
Diagnostic tests when your specialist refers you	✓ No yearly limit	
CT, MRI or PET scans	✓ Paid in full at a scanning centre , or hospital listed as a scanning centre in the hospital list	A specialist must refer you. CT = Computerised Tomography MRI = Magnetic Resonance Imaging PET = Positron Emission Tomography

Enhanced Out-patient Option table

Cover applies when you're an out-patient

Specialist consultations Diagnostic tests when your specialist refers you Practitioner fees when your specialist refers you	✓ A combined yearly limit of £1,000	Practitioners are nurses , dieticians, orthoptists and speech therapists. » For details, see 3.7
CT, MRI or PET scans	✓ Paid in full at a scanning centre , or hospital listed as a scanning centre in the hospital list	A specialist must refer you. CT = Computerised Tomography MRI = Magnetic Resonance Imaging PET = Positron Emission Tomography

Full Out-patient Option table

Cover applies when you're an **out-patient**

Specialist consultations Diagnostic tests when your specialist refers you Practitioner fees when your specialist refers you	✓ No yearly limit	Practitioners are nurses , dieticians, orthoptists and speech therapists. » For details, see 3.7
CT, MRI or PET scans	✓ Paid in full at a scanning centre , or hospital listed as a scanning centre in the hospital list	A specialist must refer you. CT = Computerised Tomography MRI = Magnetic Resonance Imaging PET = Positron Emission Tomography

Therapies Option table

Fees for out-patient treatment by physiotherapists , osteopaths or chiropractors	✓ A combined limit of £500 a year that can include: <ul style="list-style-type: none"> • up to an overall maximum of ten sessions in a year when your GP refers you • further sessions (as long as we agree them first) when your specialist refers you 	» For details, see 3.7
--	--	--

Mental Health Option table

If you're an in-patient or day-patient

Private hospital and day-patient unit fees for psychiatric treatment	✓ Paid in full for up to 30 days a year	So long as you use a hospital or day-patient unit in the hospital list. Including fees for: <ul style="list-style-type: none"> • accommodation • diagnostic tests • drugs. » For details, see 3.8
Specialist fees for psychiatric treatment	✓ No yearly limit so long as you use a Priority Health specialist	» For details, see 3.7

If you're an out-patient

Specialist consultations for psychiatric treatment	✓ A combined limit of £1,000 a year	» For details, see 3.7
Psychiatric treatment by psychologists and cognitive behavioural therapists		

Extra Care Option table

Nurse to give you chemotherapy or antibiotics by intravenous drip at home	✓ Paid in full	We will pay for treatment : <ul style="list-style-type: none"> • at home • somewhere else that is appropriate. We will pay for a nurse to give you either of the following by intravenous drip: <ul style="list-style-type: none"> • chemotherapy to treat cancer • antibiotics. This is so long as: <ul style="list-style-type: none"> • we have agreed the treatment beforehand • you would otherwise need to be admitted for in-patient or day-patient treatment • the nurse is working under the supervision of a specialist • the treatment is provided through a healthcare services supplier that we have a contract with for this kind of service.
Cash payment when you have free treatment under the NHS	✓ £50 a night up to £2,000 a year	We pay this when: <ul style="list-style-type: none"> • you are admitted for in-patient treatment before midnight • we would have covered your treatment if you had had it privately. If you have an excess, we will not take this off this cash payment. You can also receive this cash payment if you have treatment in an NHS Intensive Therapy or Intensive Care unit, whether it follows private treatment or not. <p>The six week safety net applies to this cash payment. This means that if the NHS can give you the hospital treatment you need within six weeks of when you need it, it would not be covered under your policy so you can't even claim this cash benefit.</p>

Oral surgery	✓ Paid in full in a private hospital or day-patient unit in the hospital list	So long as your dentist refers you, we will pay for: <ul style="list-style-type: none"> reinserting your own teeth after a trauma surgical removal of impacted teeth, buried teeth and complicated buried roots removal of cysts in the jaw (sometimes called enucleation). » For details, see 4.32
Chiropody and podiatry fees	✓ Up to £150 a year	So long as your chiropodist or podiatrist is qualified. If your policy has an excess, you do not have to pay the excess if having this treatment. » For details, see 4.4

Dentist and Optician Cashback Option table

Dentist fees	✓ 80% of your dentist's fees, up to £400 a year	If you have an excess, you do not have to pay the excess if you claim for dentist fees. » For details, see 4.32
Optician fees	✓ 80% of the cost of prescribed glasses and contact lenses, up to £200 a year	We will pay this so long as the glasses or lenses are used to correct your vision. If you have an excess, you do not have to pay the excess if you claim for optician fees. » For details, see 4.18
Eye test	✓ Up to £25 a year for an eye test	If you have an excess, you do not have to pay the excess if you claim for an eye test. » For details, see 4.18

Extra Cancer Cover Option table

This cover extends the cancer cover you have with your core cover and any extra out-patient cover you have		» For details, see 4.1
--	--	------------------------

Private GP Cover Option table

Fees for visits to a private GP for consultations	✓ Up to £500 a year	
Doctor@Hand consultations	✓ Up to five consultations a year with a Doctor@Hand GP	Access to a GP service for online, video or telephone consultations. You need to register for this service, please go to health-on-line.co.uk/DAH You will need to pay for your consultations and claim the costs back from us. If you have an excess, we will not take this off this benefit.

1.5 > The main things we don't cover

Like all health insurance policies, there are a few things that are not covered. We've listed the most significant things here, but please also see the detail later in your handbook.

Does my policy mean I don't need to use the NHS?

No. Your insurance is not designed to cover every situation. It is designed to add to, not replace, the NHS. There are some conditions and treatments that the NHS is best at handling – emergencies are a good example.

What are the key things my policy doesn't cover?

Your policy does not cover	For more information	Notes
✗ Routine pregnancy and childbirth	» For details, see 4.24 or call us on 0345 600 7696	Few health insurance policies cover pregnancy and childbirth because they are not illnesses, and the NHS is set up to deal with them.
✗ Treatment that the NHS can give you within six weeks of when you need it	» For details, see 3.9	As you have the Six week Safety net, if the NHS can give you the hospital treatment you need within six weeks of when you need it, you'll need to use the NHS.

<p>✗ Treatment of medical conditions you had, or had symptoms of, before you joined.</p>	<p>» For details, see 3.4</p>	<p>Your policy is designed to cover necessary treatment of new medical conditions that arise after you join.</p>
<p>✗ Treatment of ongoing, recurrent and long-term conditions (chronic conditions)</p>	<p>» For details, see 3.5</p>	

Key things that may not be covered depending on the Options you've chosen

Your policy statement, which is part of your policy guide, shows you which Options you have.

Your Options	Your cover
If you do not have an out-patient Option	<p>✗ You do not have any cover for out-patient diagnostic tests or consultations</p> <p>✗ You do not have any cover for out-patient computerised tomography (CT), magnetic resonance imaging (MRI), and positron emission tomography (PET).</p>
If you do not have the Therapies Option	<p>✗ You do not have cover for fees for physiotherapists, osteopaths or chiropractors</p>
If you do not have the Mental Health Option	<p>✗ You do not have cover for any psychiatric treatment</p>
If you do not have the Dentist and Optician Cashback Option	<p>✗ You do not have cover for dentists' or opticians' fees</p>

 If you have any questions about your cover please call us on 0345 600 7696.

1.6 > Help with medical questions or health worries – Health at Hand

With Health at Hand you can speak to a healthcare professional whenever you have a medical question or health worry.

The 24-hour Health at Hand helpline is staffed by many of the health professionals you would find working at a local health centre, including nurses, counsellors, midwives and pharmacists. They can help you whether you want to talk about a specific health worry, medication or treatment, or if you just need guidance and reassurance.

Call 0800 003 004

The helpline is open 24 hours a day, 365 days a year. Please note that our pharmacists and midwives are here from 8am to 8pm Monday to Friday, until 4pm on Saturday, and until 12pm on Sunday.

If calling from outside the UK, please call +44 1737 815 197.

Health at Hand does not diagnose or prescribe, and is not designed to replace your GP. Any information you share with us is confidential and will not be shared with our claims department or other parts of our business.

2 Making a claim

1 Ask your GP for an open referral

If your GP says you need specialist treatment, tell them you want to go private and ask for an 'open referral'.

With an open referral your GP doesn't name a particular specialist. This means our Fast Track Appointments service can help you find a suitable specialist and make a convenient appointment for you.

Occasionally the NHS will be best placed to provide care locally (for example specialist paediatric (children's) care at an NHS centre of excellence). When this is the case we will talk to you about your NHS options as well.

2 Call us on 0345 600 7696 before you see the specialist

Call us as soon as you've seen your GP. It's important you call us before you see the specialist or have any treatment so that we can tell you what you're covered for. This will mean you don't end up having to pay for treatment that you're not covered for.

3 We'll check your cover and let you know what happens next

We may ask you to provide more information, for example from your GP or specialist. You, your GP or your specialist must provide us with the information we ask for by the date that we ask for it or you may not be covered for your claim.

You can also use our Fast Track Appointments if you would like a second opinion from another specialist. Simply call us and we can discuss the options with you.

For muscle, bone and joint pain, you can use Working Body – no GP referral needed

When you experience muscle, bone or joint pain, it's important that you get the most appropriate support early. That's why, with 'Working Body', we've made it easy for you to speak to our team of experts.

With 'Working Body' you can get access to advice and treatment without the need for a GP referral. As soon as you develop a problem, just call us. We'll check what cover you have and you'll get a call back by the end of the next working day to arrange a free telephone assessment.

During your phone assessment, a physiotherapist will listen to your concerns, take you through an initial assessment and then advise the most appropriate treatment for you.

Members under the age of 18 will need a GP referral for these types of conditions as the 'Working Body' service is not available to them.

How we pay claims

We normally settle any bills directly with the **specialist** or the hospital where you've had your **treatment**. If your **treatment** is not covered for any reason, we will let you know.

How we pay medical bills?

Specialists and hospitals normally send their bills to us, so we can pay them directly. If you need to pay an excess, we will let you know how to pay it.

» [For more details, see 5.2](#)

Do I need to tell the place where I have my treatment that I have private medical insurance?

Yes you must tell the place where you have your **treatment** that you have private medical insurance. This will mean that the fees charged for your **treatment** are those we have agreed with the hospital or centre.

What happens if I've paid the bills myself already or if I receive a bill?

If you paid your medical bills yourself and your **treatment** is covered, we will refund you the costs, minus any excess. Please send the original receipts from the **specialist** or hospital to Health-on-Line Claims Department, PO Box 503, Tunbridge Wells, Kent TN2 9RT.

If you receive a bill, please contact us and we'll explain what to do next.

What should I do if I need further treatment?

If you need further **treatment**, please contact us first to confirm your cover.

The information we may need when you make a claim

When you contact us, we'll explain if your **treatment** is covered and normally you won't need to fill in any forms.

Usually, this all happens very quickly. However, sometimes we need more detailed medical information, including access to your medical records.

What does 'more detailed information' mean?

We may need more detailed information in any of the following ways:

- We may need your GP or **specialist** to send us more details about your **medical condition**. Your GP may charge you for providing this information. This charge is not covered by your **policy**.
- We may also ask you to give us consent to access your medical records.
- In some cases, we may also ask you to complete additional forms. We will need you to complete these forms as soon as possible, but no later than six months after your **treatment** starts (unless there is a good reason why this is not possible).
- Very rarely, we may have to ask a specialist to advise us on the medical facts or examine you. In these cases, we will pay for the specialist to do this and will take your personal circumstances into account when choosing the specialist.

What happens if I don't want to give the information you've asked for?

If you do not give us information we ask for, or do not consent to our accessing your medical records when we ask, we will not be able to assess your claim and so will not be able to pay it. We may also ask you to pay back any money that we have previously paid to do with this **medical condition**.

What if my treatment isn't covered?

If your policy does not cover your **treatment**, we'll explain this and also tell you about what we can do to support you through your NHS **treatment**.

What if I want to see a specific specialist?

We always recommend that you ask your GP for an open referral. That's a referral that does not name a **specialist**. With an open referral, you'll be able to use one of our **Priority Health specialists** knowing that we'll pay for **treatment** you're covered for.

However, if you would prefer to use a specific specialist, or if your GP has already named a specialist, simply contact us as soon as you can and we can tell you whether we cover that specialist's fees. If we don't, we can suggest an alternative and make the appointment for you if you wish.

Where can I find more information about the quality and cost of private treatment?

You can find independent information about the quality and cost of private treatment available from doctors and hospitals from the Private Healthcare Information Network: www.phin.org.uk

What happens if I need emergency treatment?

In an emergency, please call for an NHS ambulance or go to a hospital A&E department. Most private hospitals are not set up for emergency **treatment**.

As your policy includes the Six week Safety net, we will not cover urgent or emergency **treatment** anyway, as this means you will need **treatment** earlier than six weeks.

» [Please see page 18 for more about how your Six week Safety net works](#)

If you need further **treatment** after your emergency **treatment**, please contact us as we may be able to cover this.

✓ Extra cover if you have the Extra Care Option

If you have the Extra Care Option, you may be able to claim a cash payment for each night you spend in an NHS hospital.

» [For more details, see the Extra Care Option table on page 6](#)

3 How your policy works

- 3.1 > Looking at who should provide treatment
- 3.2 > Eligible treatment
- 3.3 > Our cover for treatment and surgery
- 3.4 > How your policy works with pre-existing conditions and symptoms of them
- 3.5 > How your policy works with conditions that last a long time or come back (chronic conditions)
- 3.6 > Paying the specialists and practitioners that treat you – cover for all
- 3.7 > Paying the specialists and practitioners that treat you – extra cover that depends on your Options
- 3.8 > Paying the places where you're treated – cover for all
- 3.9 > How the Six week Safety net works
- 3.10 > General restrictions

How your policy works

For full details of how your policy works, please read the rest of your handbook too.

Any questions?

If you're unsure how something works, just call us on 0800 587 0957 and we'll be very glad to explain. It's often quicker and easier than working it out from the handbook alone.

Making a claim

If you would like to make a claim, please call us on 0345 600 7696 first and we'll be able to check your cover for you and tell you what to do next.

3.1 > Looking at who should provide treatment

Your policy does not cover primary care services, such as any services that could be provided by GPs, dentists and opticians. This includes drugs and **treatment**. When **diagnostic tests** are routinely required as part of your referral to a **specialist** we may arrange these for you. We do this to help the **specialist** to quickly and effectively diagnose or identify what **treatment** may be required.

✓ Extra cover if you have the Dentist and Optician Cashback Option

If you have the Dentist and Optician Cashback Option, some services provided by dentists and opticians will be covered.

» For more details, see the [Dentist and Optician Cashback Option table on page 7](#)

✓ Extra cover if you have the Private GP Cover Option

If you have the Private GP Cover Option you have some cover for private GP consultations and access to Doctor@Hand.

» For more details, see the [Private GP Cover Option table on page 7](#)

3.2 > Eligible treatment

Your membership covers 'eligible **treatment**'. You will need to read all sections of this handbook to understand whether **treatment** is eligible **treatment**.

'Eligible **treatment**' is **treatment** of a disease, illness or injury where that **treatment**:

- falls within the benefits of this **policy** and is not excluded from cover by any term in this handbook
- is of an **acute condition** (for details see 3.5)
- is **conventional treatment** (for details see 3.3)
- is not preventative (for details see 4.13)
- does not cost more than an equivalent **treatment** that is as likely to deliver a similar therapeutic or diagnostic outcome
- is not provided or used primarily for the convenience or financial or other advantage of you or your **specialist** or other health professional.

Treatment needs to meet all of these requirements. There are some exceptions which will be described in the relevant sections of this handbook. For example there are times when we do cover **treatment** of **chronic conditions** or **unproven treatment**. You will find more details of when that is the case in sections 3.5 and 3.3.

If we are not sure whether your **treatment** meets these requirements we may need a second medical opinion. We may ask a different specialist to give us a second opinion and they may need to examine you to confirm that your **treatment** is eligible **treatment**. In these cases, we will pay for the specialist to do this.

3.3 > Our cover for treatment and surgery

We cover drugs, **treatment** and **surgery** that is **conventional treatment**.

What do you mean by conventional treatment?

We define **conventional treatment** as **treatment** that:

- is established as best medical practice and is practised widely within the UK; and
- is clinically appropriate in terms of necessity, type, frequency, extent, duration and the facility or location where the **treatment** is provided; and has either
 - been shown to be effective for your **medical condition** through substantive peer reviewed clinical evidence in published authoritative medical journals; or
 - been approved by NICE (The National Institute for Health and Care Excellence) as a treatment which may be used in routine practice.

Are there any additional requirements for drug treatments?

If the **treatment** is a drug, the drug must be:

- licensed for use by the European Medicines Agency or the Medicines and Healthcare products Regulatory Agency; and
- used according to that licence.

Are there any additional requirements for surgical treatments?

If the **treatment** is a surgical procedure it must also be listed and identified in our schedule of procedures and fees.

» **To check whether we will agree to cover a treatment, please call us on 0345 600 7696 before you start treatment**

What happens if my specialist says I need treatment that is not conventional treatment?

We know our members may want to have access to developing treatments as they become available. So, we will consider covering the following **treatment** when it is carried out by a **Priority Health specialist**:

- **surgery** not listed and identified in the schedule of procedures and fees; and
- other **treatments** and **diagnostic tests** which are not **conventional treatments**.

In this handbook we refer to this **treatment** as **unproven treatment**.

The cover for **unproven treatment** is more restrictive than for **conventional treatments**.

Unproven treatment must:

- be authorised by us before it takes place
- take place in the **UK**

- be agreed by us as a suitable equivalent to **conventional treatment**.

If there is no suitable equivalent **conventional treatment**, there won't be any cover for the **unproven treatment**.

Are there restrictions on what you pay for unproven treatment?

The amount we pay for **unproven treatment** will depend on how much it costs and how much we would pay if you have **conventional treatment** for your **medical condition** instead.

- If the **unproven treatment** costs less than the equivalent **conventional treatment** we will pay the cost of the **unproven treatment**.
- If the **unproven treatment** costs more than the equivalent **conventional treatment** we will pay up to the cost we would have paid for the equivalent **conventional treatment**. We will pay up to the amount we would have paid a **Priority Health specialist** and hospital in the **hospital list**. To understand what the alternative **conventional treatment** is we will look at the **treatment** other patients with the same **medical condition** and prognosis would be given.

Do I need to let you know if I want unproven treatment?

Yes, if you would like an **unproven treatment** you or your **specialist** must contact us at least 10 working days before you book that **treatment**. This is so we can:

- obtain full details of the **treatment**
- support you with additional information and questions for your **specialist**, before you have **treatment**
- agree what costs (if any) we will meet, see important points below. All **unproven treatment** must be agreed by us in writing, so you are clear before having **treatment** of any shortfall you may have to pay to the hospital and/or the **specialist**.

Will there be any restrictions on my cover after I have had unproven treatment?

Yes there will. We will not pay for further **treatment** for your **medical condition** after you have undergone **unproven treatment**. This includes any complications or other **medical conditions** associated with the **unproven treatment**.

- **To check whether we will agree to cover a treatment, please call us on 0345 600 7696 before you start treatment**

3.4 > How your policy works with pre-existing conditions and symptoms of them

Health insurance is usually designed to cover **treatment** of new **medical conditions** that begin after you join. Your cover for **treatment** of conditions you were aware of or had already had when you joined depends on what you told us about your medical history when you joined.

Am I covered for treatment of any conditions I was aware of when I joined?

We call conditions you were aware of when you joined **pre-existing conditions**.

The definition of pre-existing condition

A **pre-existing condition** is any disease, illness or injury that:

- you have received medication, advice or **treatment** for in the five years before the start of your cover, or
- you have experienced symptoms of in the five years before the start of your cover: whether or not the condition was diagnosed.

On your membership statement, you'll see a section called 'Your cover for existing conditions'. This will tell you which underwriting terms you joined on. Here are the options:

- Fully underwritten (or full medical underwriting)
- Continuing medical exclusions
- Medical history disregarded
- Moratorium (also known as Two Year Watch and Wait).

In the following panels, we've explained how each of these work, but if you're unsure about your cover for **treatment of pre-existing conditions** it's always best to contact us.

Fully underwritten or full medical underwriting

'Fully underwritten' means we asked you for details of your medical history, including any **pre-existing conditions**, before you joined. We then worked out your cover based on the information we received.

We have listed any special terms or exclusions on your membership statement – please check this carefully. For example, you may not have cover for something specific if you have had that condition in the past. Your statement will also show whether we can remove the exclusion after a period of time.

Continuing medical exclusions

If you joined us on 'continuing medical exclusions' terms, we are carrying on your exclusions for **medical conditions** from your previous health insurer. This normally means we only asked you a few brief medical questions.

We have listed any special terms or exclusions on your membership statement – please check this carefully. For example, you may not have cover for something specific if you have had that condition in the past. Your statement will also show whether we will remove the exclusion after a period of time.

If we carried on a moratorium from your previous healthcare insurance, the rules of your moratorium may be slightly different, and we may start the moratorium from when it originally began on your previous insurance. Your policy statement will show when your moratorium started.

Medical history disregarded

If you joined us on 'medical history disregarded' terms, we accepted any **pre-existing conditions** you might have had when you joined. We normally only do this if we are continuing cover from a different health insurer or from a company policy, or for a newborn baby who was added to your policy.

Moratorium (also known as Two Year Watch And Wait)

If you joined us on moratorium terms, it means that you won't have cover for **treatment** of medical problems you had in the five years before you joined us until:

- you've been a member for two years in a row, and
- you've had a period of 12 months in a row since you joined that have been **trouble-free** from that condition.

If you joined us from another health insurer or from a company policy, and we carried on your moratorium from that insurer, the rules may be slightly different, and we may start the moratorium from when it originally began on your previous insurance. Your membership statement will show more details about how your particular moratorium works.

The definition of trouble-free

If you joined on moratorium terms, what do we mean by trouble-free?

Trouble-free means that you have not done any of the following for the **medical condition** you need **treatment** for:

- had a medical opinion from a medical practitioner, including a GP or specialist
- taken medication (including over-the-counter drugs)
- followed a special diet
- had medical **treatment**
- visited any medical practitioner, including but not limited to a practitioner, physiotherapist, osteopath, optician or dentist.

What if you didn't tell us about a condition, symptom or treatment you knew about when we asked?

Whichever form of underwriting you joined on, we may have asked you some medical questions before agreeing your cover. We worked out your terms or your premium based on your answers. If you did not answer fully or accurately, even if this was by accident, we may not cover **treatment** for the condition.

This means we will not cover **treatment** for any conditions that you should have told us about when we asked, but that you either did not tell us about at all, or that you did not tell us the full extent of. This includes:

- any pre-existing or previous condition, whether you had **treatment** for them or not
- any previous **medical condition** that recurs
- any previous **medical condition** that you should reasonably have known about, even if you did not speak to a doctor.

Whenever you claim, we may ask your GP, specialist or practitioner for more information to confirm whether you had any symptoms before you joined.

If we need to look at your medical history, we will need some time to do this before we can confirm whether we can cover your claim.

3.5 > How your policy works with conditions that last a long time or come back (chronic conditions)

Like most health insurance, your policy is designed to cover unexpected illness and conditions that respond quickly to **treatment (acute conditions)**. This means that it may not cover you for **treatment** of conditions that are likely to last a longer time or come back (**chronic conditions**). However, there are particular situations where we can cover **treatment** for these kinds of conditions.

Does my policy cover me for treatment of conditions that last a long time or come back (chronic conditions)?

Your policy does not cover you for conditions that:

- come back (recur)
- are likely to continue for a while
- are long-term.

However, your policy will cover short-term **in-patient treatment** of flare-ups of a **chronic condition** – that is, unexpected complications or worsening of a **chronic condition**.

Because we don't cover ongoing, recurring long-term **treatment** for **chronic conditions**, this means we will not cover:

- monitoring a **medical condition**
- any **treatment** that only offers temporary relief of your symptoms, rather than dealing with the underlying condition
- routine follow-up consultations.

However, please see the notes on **treatment** for **cancer** and heart conditions below, as there are some exceptions to these rules.

What are acute conditions and chronic conditions?

Like most health insurers, we use the Association of British Insurers' definitions for these.

Acute condition

An **acute condition** is a disease, illness or injury that is likely to respond quickly to **treatment** that aims to return you to the state of health you were in immediately before suffering the disease, illness or injury, or that leads to your full recovery.

Chronic condition

A **chronic condition** is a disease, illness or injury that has one or more of the following characteristics

- It needs ongoing or long-term monitoring through consultations, examinations, check-ups or tests
- It needs ongoing or long-term control or relief of symptoms
- It requires your rehabilitation, or for you to be specially trained to cope with it
- It continues indefinitely
- It has no known cure
- It comes back or is likely to come back.

What happens if a condition I have is a chronic condition?

If your condition is chronic, unfortunately there will be a limit to how long we cover your **treatment**. If we are not able to continue to cover your **treatment**, we will tell you beforehand so that you can decide whether to start paying for the **treatment** yourself, or to transfer to the NHS.

How does this affect my cover for cancer treatment?

We treat **cancer treatment** in a different way to other long-term conditions, and cover more long-term **treatment**.

» [There is a full explanation of how we cover cancer treatment in section 4 of the handbook](#)

How does this affect my cover for treatment of heart conditions?

✓ Extra cover if you have an out-patient Option

If you have an out-patient Option, we will make an exception for treating some heart conditions.

If you have any of the following **surgery** on your heart, we will carry on paying for long-term monitoring, consultations, check-ups, scans and examinations related to the **surgery**. We will continue to pay for this while you are still a member and have **out-patient** cover.

- coronary artery bypass
- cardiac valve surgery
- implanting a pacemaker or defibrillator
- coronary angioplasty.

We will not pay for routine checks that a GP would normally carry out, such as anticoagulation, lipid monitoring or blood pressure monitoring.

- ✗ If you do not have an out-patient Option, we will not cover long-term monitoring, consultations, check-ups, scans or examinations related to your heart condition.

Whether you have an **out-patient** Option or not, we will still be here to support you if you are diagnosed with a heart condition. At any time, you can speak to one of our **specialist** nurses for heart patients. They will be able to give you guidance and information about your condition and the **treatment** you are having.

What other treatment is covered for chronic conditions?

- ✗ If you do not have an **out-patient** Option, your cover for **treatment of chronic conditions** is likely to be limited, as most of the **treatment** happens when you are an **out-patient**. However, if your condition flares up or you develop complications, we will cover **in-patient treatment** to take your condition back to its controlled state.

✓ Extra cover if you have an out-patient Option

If you have an **out-patient Option**, we will cover the following up to your **out-patient** limits:

- the initial investigations to diagnose your condition
- **treatment** for a few months, so that your **specialist** can start your **treatment**.

Are there any conditions that are always regarded as chronic?

Yes. Some conditions are likely to always need ongoing **treatment** or are likely to recur. This is particularly the case if the condition is likely to get worse over time. An example is Crohn's disease (inflammatory bowel disease).

If you have one of these conditions, we will contact you to tell you when we will stop cover for **treatment** of the condition. We will contact you so that you can then decide whether to start paying for the **treatment** yourself, or to transfer to the NHS.

» For more information about how we cover treatment for chronic conditions, including some examples of how our cover works, please see Health-on-Line.co.uk

3.6 > Paying the specialists and practitioners that treat you – cover for all

Does my policy cover the full fees charged by specialists?

When your **treatment** is covered and it is provided by a **specialist** who is a **Priority Health specialist**, we will pay the charges in full. If you use our Fast Track Appointments service, and you would like us to book your appointment for you we will book it with a **Priority Health specialist**.

If your **treatment** is provided by a **specialist** who is not a **Priority Health specialist** but who is recognised by AXA PPP healthcare, we will pay 60% of the charges that would normally be paid by AXA PPP healthcare. You will be responsible for paying the remaining charges.

If your **treatment** is provided by a **specialist** who is neither a **Priority Health specialist** nor recognised by AXA PPP healthcare, you will be responsible for paying the full amount of the charges.

Not all specialists and specialties are available at all private hospitals.

We strongly recommend that you call us on 0345 600 7696 before you arrange a consultation or treatment so that we can check that you're covered.

What about anaesthetists?

If you think that your **treatment** will involve an anaesthetist, please check with your **specialist** which anaesthetist they will use and let us know before your **treatment** starts. We will then be able to tell you whether they are a **Priority Health specialist**.

If you don't know which anaesthetist your **specialist** will use, we will do everything we can to let you know if they often use an anaesthetist that we do not pay in full.

As with other **specialists**, if the anaesthetist is not a **Priority Health specialist** but is recognised by AXA PPP healthcare we will pay 60% of the fees that would normally be paid by AXA PPP healthcare. You will be responsible for paying the remaining charges.

If your anaesthetist is neither a **Priority Health specialist** nor recognised by AXA PPP healthcare, you will be responsible for paying the full amount of the charges.

Fast Track Appointments

Our Fast Track Appointments team can find up to three suitable specialists for you to choose from, and can even book your appointment for you.

Just call us on 0345 600 7696.

3.7 > Paying the specialists and practitioners that treat you – extra cover that depends on your Options

Who will be paid under out-patient Options?

✓ Extra cover if you have an out-patient Option

If you have an out-patient Option, we will pay for **out-patient** consultations with a **specialist** and the **diagnostic tests** that they say you need. We will pay so long as your GP refers you.

This includes remote consultations by telephone or via a video link. These will be covered under the **out-patient** consultation benefit if AXA PPP healthcare have agreed with the **specialist** that he/she is recognised to carry out remote consultations for members.

» For more about how we pay specialists, see the Core cover table on page 4 and section 3.8

✓ Extra cover if you have the Enhanced or Full Out-patient Option

If you have either the **Enhanced or Full Out-patient Option**, we will also pay for the **out-patient treatment** you need with a **practitioner**. By **practitioner** we mean a:

- nurse
- dietician
- orthoptist
- speech therapist.

We will pay so long as a **specialist** refers you.

We pay **practitioners** in full if they are a **Priority Health specialist**. Please contact us before you start **treatment** so we can confirm whether we will pay your **practitioner** in full.

If you use a **practitioner** who is recognised by AXA PPP healthcare but who is not a **Priority Health specialist** we will only pay 60% of the charges normally paid by AXA PPP healthcare. You will need to pay the rest yourself.

If you use a practitioner that AXA PPP healthcare do not recognise, we will not pay for your **treatment**.

Who will be paid under the Therapies Option?

✓ Extra cover if you have the Therapies Option

If you have the Therapies Option, we will pay **out-patient treatment** fees for any of the following that we recognise so long as your **treatment** is covered and the Working Body team, your GP or **specialist** refers you:

- **physiotherapists**
- **osteopaths**
- **chiropractors**.

If your GP refers you for the **treatment**, you are covered for an overall maximum of ten sessions in a **year**.

If your **specialist** refers you, we may agree to more sessions, but will need to agree them in writing first.

We pay **physiotherapists**, **osteopaths** and **chiropractors** in full if they are a **Priority Health specialist**. All **physiotherapists**, **osteopaths** and **chiropractors** used by our Working Body team will be **Priority Health specialists**. Please contact us before you start **treatment** so we can confirm whether we will pay your therapist in full.

If you use a **physiotherapist**, **osteopath** or **chiropractor** who is recognised by AXA PPP healthcare but who is not a **Priority Health specialist** we will only pay 60% of the charges normally paid by AXA PPP healthcare. You will need to pay the rest yourself.

If you use a physiotherapist, osteopath or chiropractor that AXA PPP healthcare does not recognise, we will not pay for your **treatment**.

Who will be paid under the Mental Health Option?

✓ Extra cover if you have the Mental Health Option

If you have the Mental Health Option, we will pay for covered **in-patient** or **day-patient** psychiatric **treatment**, including **specialist** fees, as shown in the Mental health Option table on page 6.

We will pay for **out-patient treatment** by any of the following:

- a mental health **specialist**
- a **cognitive behavioural therapist**, so long as a **specialist** refers you
- a **psychologist**, so long as a **specialist** refers you.

We pay **specialists**, **cognitive behavioural therapists** and **psychologists** in full if they are a **Priority Health specialist**. Please contact us before you start **treatment** so we can confirm whether we will pay your therapist in full.

If you use a **specialist, cognitive behavioural therapist** or **psychologist** who is recognised by AXA PPP healthcare but who is not a **Priority Health specialist** we will only pay 60% of the charges normally paid by AXA PPP healthcare. You will need to pay the rest yourself.

If you use a **specialist, cognitive behavioural therapist** or **psychologists** that AXA PPP healthcare do not recognise, we will not pay for your **treatment**.

Not all specialists and specialties are available at all private hospitals.

We strongly recommend that you call us on 0345 600 7696 before you arrange a consultation or treatment so that we can check that you're covered.

3.8 > Paying the places where you're treated – cover for all

Where can I have treatment?

If your **treatment** is covered by your **policy**, we will pay your hospital fees in full. This is so long as a **specialist** is overseeing your **treatment**, and you use one of the following listed in the **hospital list**:

- a hospital
- a **day-patient unit**.

If your **treatment** is covered by your **policy**, but you have the **treatment** in a facility not listed in the **hospital list**, we'll pay 60% of the fees AXA PPP healthcare would normally pay that facility.

In-patient and **day-patient** hospital fees include costs for things like:

- accommodation
- **diagnostic tests**
- using the operating theatre
- nursing care
- drugs
- dressings
- radiotherapy and chemotherapy
- physiotherapy
- surgical appliances that the **specialist** uses during **surgery**.

» **For more about how we pay for treatment from specialists, please also see sections 3.6 and 3.7**

There are special rules about the following kinds of **treatment**:

- **out-patient treatment**
- intensive care
- cataract **surgery**
- oral **surgery** as part of the Extra Care Option.

Where can I have out-patient treatment?

The cover you have for **out-patient treatment** depends on whether you have an **out-patient** Option.

We will pay fees at an **out-patient** facility in full. This is so long as AXA PPP healthcare have an agreement with the facility to provide **out-patient treatment** to Priority Health members. We will pay these so long as your **treatment** is covered by your **policy**, and a specialist is overseeing it.

We do not pay for out-patient drugs or dressings.

If our agreement does not cover Priority Health members we will only pay 60% of the fees AXA PPP healthcare normally pay and you will need to pay the rest yourself.

There are some **out-patient** facilities that AXA PPP healthcare does not have an agreement with at all. If you have **treatment** at one of those facilities you will be responsible for paying the full amount of those charges.

What about intensive care?

If you have private intensive care **treatment** in a **private hospital** or in an NHS Intensive Therapy or Intensive Care unit, we will pay for this so long as:

- it immediately follows private **treatment** that was covered by your **policy**
- you or your next of kin have asked for you to have the intensive care **treatment** privately.

What about treatment on the NHS?

✘ If you do not have the Extra Care Option, we do not pay anything else when you have **treatment** on the NHS.

✓ Extra cover if you have the Extra Care Option

If you have the Extra Care Option, and have free **treatment** on the NHS that would have been covered by your **policy**, we will pay you a cash payment. This includes **treatment** in an NHS Intensive Therapy or Intensive Care unit.

» **For more details, see the Extra Care Option table on page 6**

Does my policy cover payment for treatment anywhere else?

We only pay for **treatment** at the places listed. For example, we do not pay anything for **treatment** at a health hydro, spa, nature cure clinic or any similar place, even if it is registered as a hospital.

Not all specialists and specialties are available at all private hospitals.

We strongly recommend that you call us on 0345 600 7696 before you arrange a consultation or treatment so that we can check that you're covered.

3.9 > How the Six week Safety net works

You have the Six week Safety net with your **policy**. This means that your cover is for **in-patient treatment, day-patient treatment, cancer treatment** and any **surgical procedure** if the NHS can't give you that **treatment** within six weeks of when **treatment** should take place.

✓ Extra cover if you have an out-patient Option

If you have an **out-patient** Option, you can go privately for **out-patient** consultations, **diagnostic tests** that do not involve **surgery**, and CT, MRI or PET scans, whatever the length of the NHS wait.

Does my Six week Safety net mean there are types of treatment that are never covered?

Yes. You are not able to claim for any of the following:

- Urgent or emergency **treatment** because the NHS will cover this quickly. This includes emergency **in-patient** or **day-patient treatment** for mental health problems, even if you have the Mental Health Option.
- **Treatment** while you are pregnant or giving birth as the NHS will treat these quickly.

Do I have to wait until I get an NHS specialist appointment to claim?

No. You do not need to wait to see whether you can get an NHS **specialist** appointment within six weeks. Call us as soon as you have seen your GP and we will talk you through what happens next.

3.10 > General restrictions

High charges

We will continue to pay the fees of **Priority Health specialists** in full so long as they continue to charge fees within the range that is usual for the **treatment** they provide.

We will not pay if any of the following charge a significant amount more than they usually do, unless we have agreed this beforehand:

- a **specialist**
- a **physiotherapist**
- an **osteopath**
- a **chiropractor**
- a **cognitive behavioural therapist**
- a **psychologist**
- a **practitioner**.

Consultations within 10 days of treatment

We will not pay any separate fee that your **specialist** makes for consultations within 10 days of carrying out **surgery**.

Treatment and referrals by family members

We will not pay for drugs or **treatment** if:

- the person who refers you is a member of your family
- the person who treats you is a member of your family.

4 Your cover for specific conditions, treatment, tests and costs

- 4.1 > Cancer
- 4.2 > Alcohol abuse, drug abuse, substance abuse
- 4.3 > Breast reduction
- 4.4 > Chiropody, podiatry and foot care
- 4.5 > Consequences of previous treatment, medical or surgical intervention or body modification
- 4.6 > Contraception
- 4.7 > Cosmetic surgery
- 4.8 > Criminal activity
- 4.9 > Drugs and dressings
- 4.10 > External prostheses or appliances
- 4.11 > Fat removal
- 4.12 > Gender re-assignment or gender confirmation
- 4.13 > Genetic tests, preventative treatment and screening tests
- 4.14 > GP and primary care services
- 4.15 > Infertility and assisted reproduction
- 4.16 > Kidney dialysis
- 4.17 > Learning and developmental disorders
- 4.18 > Long sightedness, short sightedness and astigmatism
- 4.19 > Mechanical heart pumps (Ventricular Assist Devices (VAD) and Artificial Hearts)
- 4.20 > Mental health
- 4.21 > Natural ageing
- 4.22 > Nuclear, biological or chemical contamination and war risks
- 4.23 > Organ or tissue donation
- 4.24 > Pregnancy and childbirth
- 4.25 > Reconstructive surgery
- 4.26 > Rehabilitation

- 4.27 > Self-inflicted injury and suicide
- 4.28 > Sexual dysfunction
- 4.29 > Social, domestic and other costs unrelated to treatment
- 4.30 > Sports related treatment
- 4.31 > Sterilisation
- 4.32 > Teeth and dental conditions
- 4.33 > Treatment abroad and restrictions if you live outside of the UK
- 4.34 > Treatment that is not medically necessary
- 4.35 > Varicose veins
- 4.36 > Warts
- 4.37 > Weight loss treatment

There are particular rules for how we cover some conditions, treatments, tests and costs. This section explains what these are.

You should read this section alongside the other sections of this handbook as the other rules of cover will also apply, for example our rules about pre-existing conditions, chronic conditions and who we pay.

If you're at all unsure about the cover you have with your policy – even if you don't need to claim for it at the moment – please just give us a call on 0345 600 7696. We'll always be glad to explain your cover, and it's often quicker and easier than working it out from the handbook alone.

Any questions?

Just call us on 0345 600 7696 and we'll be very glad to help explain anything that's unclear.

If you want to make a claim, please call us on 0345 600 7696 first and we'll be able to check your cover for you and tell you what to do next.

4.1 > Cancer

Due to the nature of **cancer**, we cover it a little differently to other conditions. This section explains the differences. If a specific aspect of your cover is not mentioned here, the standard cover described elsewhere in your handbook applies.

About your cover for cancer treatment

We will cover **treatment** for any new **cancer** that starts after you join. We will also cover that **cancer** if it comes back and you are still a member.

If you have exclusions to do with **cancer** because of your past medical history, we will not cover your **treatment** if this **cancer** comes back.

» [For more details of how we cover treatment of pre-existing medical conditions, see section 3.4](#)

Experienced dedicated nurses and case managers

Our registered nurses and case managers provide support over the phone and have years of experience of supporting cancer patients and their families. When you call, we will put you in touch with a nurse or case manager who will then support you throughout your treatment.

Your nurse or case manager will be happy to speak to your specialist or doctor directly if you need them to check any details. They can also give you guidance on what to expect during treatment and how to talk about your illness to friends and family.

Do the rules about chronic or recurring conditions apply to cancer?

We don't apply our rules about chronic or recurring conditions to **cancer**. Please carefully read all of this section (4.1) to find out how we cover **treatment** for **cancer**.

Comparing our cancer cover

To help make our **cancer** cover clearer, the following information is in a format that the Association of British Insurers (ABI) recommend. This will also help you to compare the cover you get as standard with the cover you get with the Extra Cancer Cover Option.

Place of treatment	If I have the Extra Cancer Cover Option, am I covered?	If I do not have the Extra Cancer Option, am I covered?
Private hospitals, day-patient units or scanning centres listed in the hospital list.	✓ Yes	✓ Yes
Chemotherapy by intravenous drip at home.	✓ Yes	✓ If you have the Extra Care Option. » For more details, see the Extra Care Option table on page 6.
Treatment at a hospice.	✓ We will make a donation of £100 for every night you spend in a hospice or have hospice at home care.	✗ We will not make a donation.

Diagnostic	If I have the Extra Cancer Cover Option, am I covered?	If I do not have the Extra Cancer Option, am I covered?
Whether you are an in-patient , day-patient or out-patient		
<p>Surgery as shown below under 'Surgery'.</p> <p>As you have the Six week Safety net, we cover this so long as it is not available on the NHS within six weeks of when you need it. However, please note the NHS is usually available to offer surgery for cancer within six weeks, so you are unlikely to have cover for surgery under your policy.</p>	✓ Yes	✓ Yes
CT, MRI and PET scans as an in-patient or day-patient .	✓ Yes	✓ Yes
CT, MRI and PET scans as an out-patient .	✓ Yes	✓ If you have an out-patient Option. ✗ If you do not have have an out-patient Option.
Genetic testing to work out whether you have a genetic risk of developing cancer .	✗ No	✗ No
Genetic testing proven to help choose the best chemotherapy.	✓ Yes	✓ Yes

If you're an in-patient or day-patient		
Specialist fees for the specialist treating your cancer when you are an in-patient or day-patient .	✓ Yes	✓ Yes
Diagnostic tests as an in-patient or day-patient .	✓ Yes	✓ Yes
If you're an out-patient		
Specialist consultations with the specialist treating your cancer when you are an out-patient .	✓ Yes If you have an out-patient Option, the consultations will not come out of your out-patient limit. If the consultations are before your diagnosis, consultations are covered as part of your overall out-patient limit. » For more details, see the out-patient Option tables on page 5.	✗ If you do not have an out-patient Option: no. ✓ If you have an out-patient Option: yes.
Diagnostic tests as an out-patient when ordered by the specialist treating your cancer .	✓ Yes If you have an out-patient Option, the tests will not come out of your out-patient limit. Surgery	If I have the Extra Cancer Cover Option, am I covered?	If I do not have the Extra Cancer Option, am I covered?
Whether you are an in-patient , day-patient or out-patient		
<p>Surgery for the treatment or diagnosis of cancer, so long as it has been shown to be effective.</p> <p>As you have the Six week Safety net, we cover this so long as it is not available on the NHS within six weeks of when you need it. However, please note the NHS is usually available to offer surgery for cancer within six weeks, so you are unlikely to have cover for surgery under your policy.</p> <p>» See page 39 for how we define surgery.</p> <p>» See page 11 for more about effective treatment.</p>	<p>✓ Yes, but only if the NHS wait is over six weeks, which is unlikely.</p>	<p>✓ Yes, but only if the NHS wait is over six weeks, which is unlikely.</p>

Preventative	If I have the Extra Cancer Cover Option, am I covered?	If I do not have the Extra Cancer Option, am I covered?
<p>Preventative treatment, such as:</p> <p>Screening when you do not have symptoms of cancer. For example, if you had a screen that showed you have a genetic risk of breast cancer, we would not cover the screening or any treatment to reduce the chances of developing breast cancer in future (such as a mastectomy).</p> <p>Vaccines to prevent cancer developing or coming back – such as vaccinations to prevent cervical cancer.</p>	<p>✗ No</p>	<p>✗ No</p>
Drug therapy	If I have the Extra Cancer Cover Option, am I covered?	If I do not have the Extra Cancer Option, am I covered?
<p>Out-patient drugs or other drugs that a GP could prescribe or could be bought over the counter. This includes drugs or prescriptions you are given to take home if you have had in-patient, day-patient or out-patient treatment.</p>	<p>Please contact us about these drugs. We don't cover them, but we can help you apply to get these paid for by the NHS. Call us on 0345 600 7696 and we can talk you through this.</p>	<p>Please contact us about these drugs. We don't cover them, but we can help you apply to get these paid for by the NHS. Call us on 0345 600 7696 and we can talk you through this.</p>

<p>Drug treatment to kill cancer cells – including:</p> <ul style="list-style-type: none"> • biological therapies, such as Herceptin • chemotherapy <p>As you have the Six week Safety net, we will not cover these drugs if they are available on the NHS within six weeks of when you need them.</p>	<p>✓ Yes</p> <p>There is no time limit on how long we cover these drugs.</p> <p>We will cover them if:</p> <ul style="list-style-type: none"> • they have been licensed by the European Medicines Agency or the Medicines and Healthcare products Regulatory Agency, and • they are used according to their licence, and • they have been shown to be effective. <p>Because drug licences change, this means that the drugs we cover will change from time to time.</p> <p>Please call us once you know your treatment plan.</p>	<p>✓ Yes</p> <p>We cover these drugs for up to one year, or for the time allowed by the licence – whichever is shorter if:</p> <ul style="list-style-type: none"> • they have been licensed by the European Medicines Agency or the Medicines and Healthcare products Regulatory Agency, and • they are used according to their licence, and • they have been shown to be effective. <p>We start the time limit from when you first started treatment that we paid for.</p> <p>Because drug licences change, this means that the drugs we cover will change from time to time.</p> <p>Please call us once you know your treatment plan.</p>
--	--	---

<p>Unproven drugs.</p>	<p>If you've been invited to take part in a randomised clinical trial approved by an appropriate ethics committee, we will pay for your stay in hospital, including your specialist's fees while you are receiving the clinical trial drug.</p> <p>You need to call us before treatment so we can agree cover and costs in writing. There will be information we need you to provide before we can agree costs. For example we will need you to provide us with a copy of your trial acceptance forms.</p>	<p>✗ Not covered.</p>
<p>Other drugs.</p> <p>We cover:</p> <ul style="list-style-type: none"> • Bone strengthening drugs such as bisphosphonates or Denosumab • Hormone therapy that is given by injection (for example goserelin, also known as Zoladex) • Antivirals, antibiotics, antifungals, anti-sickness and anticoagulant drugs. 	<p>✓ Yes. They are covered as long as you have them at the same time as you are having chemotherapy or biological therapy to kill cancer cells covered by your policy.</p>	<p>✓ We will cover these for up to three months as long as you have them at the same time as you are having chemotherapy or biological therapy to kill cancer cells that is covered by your policy.</p>
<p>Drugs for treating conditions secondary to cancer, such as erythropoietin (EPO).</p>	<p>✓ Yes, while you are having chemotherapy that is covered by your policy.</p>	<p>✓ Yes, while you are having chemotherapy that is covered by your policy.</p>

Radiotherapy	If I have the Extra Cancer Cover Option, am I covered?	If I do not have the Extra Cancer Option, am I covered?
<p>Radiotherapy including when it is used to relieve pain.</p> <p>As you have the Six week Safety net, we will cover radiotherapy so long as it is not available on the NHS within six weeks of when you need it. However, please note the NHS is usually available to offer radiotherapy within six weeks, so you are unlikely to have cover under your policy.</p>	✓ Yes	✓ Yes

Palliative and end of life care	If I have the Extra Cancer Cover Option, am I covered?	If I do not have the Extra Cancer Option, am I covered?
Care to relieve pain or other symptoms rather than cure the cancer .	✓ We will provide cover and support throughout your cancer treatment even if it becomes incurable. We cover radiotherapy, chemotherapy and surgery (such as draining fluid or inserting a stent) to relieve pain.	✓ We will provide cover and support throughout your cancer treatment even if it becomes incurable. We cover radiotherapy, chemotherapy and surgery (such as draining fluid or inserting a stent) to relieve pain.
Donation to a hospice where you are having end of life care, or a donation to a service providing hospice at home care.	✓ £100 a night	✗ No

Monitoring	If I have the Extra Cancer Cover Option, am I covered?	If I do not have the Extra Cancer Option, am I covered?
Follow ups – cover for follow up consultations and reviews for cancer .	✓ Yes, so long as you are still a member and have a policy that covers this.	✗ If you do not have an out-patient Option: no. ✓ If you have an out-patient Option: yes, for ten years from your last surgery , chemotherapy or radiotherapy for that cancer so long as you are still a member and have a policy that covers this.
Routine monitoring or checks that a GP or someone else in a GP surgery (or other primary care setting) could carry out.	✗ No	✗ No
Follow up procedures that are for monitoring rather than treatment . Some cancer patients need procedures to check whether cancer is still present or has returned. For example, these could include colonoscopies to check the bowel or cystoscopies to check the bladder. These procedures are planned in advance, and so they are usually available on the NHS within six weeks of when they should happen. As you chose the Six week Safety net, your policy does not cover them.	✗ No	✗ No

Limits	If I have the Extra Cancer Cover Option, what limits are there on treatment under my policy?	If I do not have the Extra Cancer Cover Option, what limits are there on treatment under my policy?
Time limits on cancer treatment. Your policy covers you while you are having treatment to kill cancer cells.	None	There are some time limits on drug treatment for cancer For example, we will cover drug treatment to kill cancer cells (such as biological therapies or chemotherapy) for up to one year, and bone strengthening drugs or hormone therapy by injection for up to three months as described in this table.
Money limits on cancer treatment.	No specific limits – the same rules apply to your cancer treatment as for any other treatment .	No specific limits – the same rules apply to your cancer treatment as for any other treatment .

Other benefits	If I have the Extra Cancer Cover Option, what other benefits are there?	If I do not have the Extra Cancer Cover Option, what other benefits are there?
Stem cell or bone marrow treatment. This includes paying reasonable costs to a live donor to donate bone marrow or stem cells. It does not include any related administration costs. For example, we will not cover transport costs or the cost of finding a donor. » See page 28 for more about this.	✓ Yes	✓ Yes
The cost of wigs or external prostheses needed because of cancer whilst you are having treatment to kill cancer cells.	✓ Up to £150 a year for wigs and up to £5,000 a year for prostheses.	✗ No

4.2 > Alcohol abuse, drug abuse, substance abuse

We do not cover **treatment** you need as a result of, or in any way connected to, alcohol abuse, drug abuse or substance abuse.

4.3 > Breast reduction

We do not cover either male or female breast reduction.

4.4 > Chiropody, podiatry and foot care

Our cover for chiropody, podiatry and foot care depends on whether you have the Extra Care Option.

We will not cover any general chiropody, podiatry or foot care, even if a surgical podiatrist provides it. This includes things like gait analysis and orthotics.

✓ Extra cover under the Extra Care Option

If you have the Extra Care Option, we will cover fees for chiropody or podiatry up to £150 per **year**, so long as your chiropodist or podiatrist is qualified.

» For more details, see the Extra Care Option table on page 6

4.5 > Consequences of previous treatment, medical or surgical intervention or body modification

If you had **treatment**, medical or surgical intervention or body modification previously that would not be covered by your **policy**, we do not cover further **treatment** or increased **treatment** costs that are:

- a result of the **treatment**, medical or surgical intervention or body modification you had previously, or
- connected with the **treatment**, medical or surgical intervention or body modification you had previously.

4.6 > Contraception

We do not cover contraception or any consequence of using contraception.

4.7 > Cosmetic surgery

We do not cover:

- Cosmetic **treatment** or cosmetic **surgery**.
- **Treatment** that is connected to previous cosmetic **treatment** or cosmetic **surgery**.

» See also 4.25

4.8 > Criminal activity

We do not cover **treatment** you need as a result of your active involvement in criminal activity.

4.9 > Drugs and dressings

We don't cover drugs, dressings or prescriptions that:

- you are given to take home after you have had **in-patient**, **day-patient** or **out-patient treatment**
- could be prescribed by a GP or bought without a prescription
- are taken or administered when you attend a hospital, consulting room or clinic for **out-patient treatment**.

There are some exceptions for drugs given for cancer **treatment**.

» There is a full explanation of how we cover cancer treatment in section 4 of this handbook.

4.10 > External prostheses or appliances

We do not cover the costs of providing or fitting external prostheses or appliances, such as crutches, joint supports, and contact lenses.

✓ Extra cover if you have the Extra Cancer Cover Option

If you have the Extra Cancer Cover Option, we will pay towards the cost of wigs or external prostheses needed because of cancer whilst you are having treatment to kill **cancer** cells.

4.11 > Fat removal

We do not cover the removal of fat or surplus tissue, such as abdominoplasty (tummy tuck), whether the removal is needed for medical or psychological reasons.

4.12 > Gender re-assignment or gender confirmation

We do not cover gender re-assignment or gender confirmation **treatment** or anything connected with them in any way such as;

- gender reassignment operations or other surgical **treatment**
- psychotherapy or similar services
- any other **treatment**.

4.13 > Genetic tests, preventative treatment and screening tests

Health insurance is designed to cover problems that you're experiencing at the moment, so it generally doesn't cover preventative **treatment** or screening tests, including genetic tests.

What is not covered for genetic tests, preventative treatment and screening tests?

We do not pay for:

- preventative treatment, such as preventative mastectomy
- routine preventative examinations and check-ups
- genetic screening tests to check whether:
 - you have a **medical condition** when you have no symptoms
 - you have a genetic risk of developing a **medical condition** in the future
 - there is a genetic risk of you passing on a **medical condition**
- genetic tests to identify a **medical condition** where the result of the test isn't proven to change the course of **treatment**. This might be because the course of **treatment** for your symptoms will be the same regardless of what **medical condition** has caused them
- any other preventative treatment or screening tests to see whether you have a **medical condition** if you do not have any symptoms
- vaccinations.

What is covered for genetic tests?

We will pay for genetic testing when it is proven to help choose the best course of drug **treatment** for your **medical condition**. This means that it must be recommended in the drug licence for a specific targeted therapy, such as HER2 testing for the use of Herceptin for breast cancer.

Please call us before you have any genetic tests to confirm that we will cover them. Your **specialist** might want to do a variety of tests and they might not all be covered. The cost to you might be significant if the tests aren't covered under your **policy**.

If you're unsure whether your treatment is preventative or not, please call us on 0345 600 7696 before going ahead with the treatment.

4.14 > GP and primary care services

Our cover for GP and other primary care services depends on whether you have the Dentist and Optician Cashback Option or the Private GP Cover Option.

- ✗ We do not cover primary care services or treatment that would normally be carried out in a primary care setting. This includes any fees for services that a GP, dentist or optician could normally carry out.
- ✗ We do not pay for prescriptions, appliances or other ancillary services provided by GPs.
- ✗ We do not pay for membership fees (sometimes known as subscription fees) for GP services.

✓ Extra cover if you have the Dentist and Optician Cashback Option

If you have the Dentist and Optician Cashback Option, we will pay towards dentists' and opticians' fees but not GP or any other primary care services.

✓ Extra cover if you have the Private GP Cover Option

If you have the Private GP Cover Option, you have cover for private GP consultations and access to Doctor@Hand for online, video and telephone consultations as shown in the Private GP Cover Options table.

4.15 > Infertility and assisted reproduction

We do not cover investigation or **treatment** of infertility and assisted reproduction or treatment designed to increase fertility. This includes;

- **treatment** to prevent future miscarriage
- investigations into miscarriage
- assisted reproduction
- anything that happens, or any **treatment** you need, as a result of these **treatments** or investigations.

4.16 > Kidney dialysis

We do cover kidney dialysis, but only in some situations.

What is covered for kidney dialysis?

We will cover kidney dialysis for up to six weeks if you are being prepared for kidney transplant. However, we will not cover regular or long-term kidney dialysis if you have chronic kidney failure.

» See also 4.23

4.17 > Learning and developmental disorders

We do not cover any **treatment**, investigations, assessment or grading to do with:

- learning disorders
- speech delay
- educational problems
- behavioural problems
- physical development
- psychological development.

Some examples of the conditions we do not cover are the following (please call if you would like to know if a condition is covered):

- dyslexia
- dyspraxia
- autistic spectrum disorder
- attention deficit hyperactivity disorder (ADHD)
- speech and language problems, including speech therapy needed because of another **medical condition**.

4.18 > Long sightedness, short sightedness and astigmatism

We do not cover any **treatment** to correct long sightedness, short sightedness or astigmatism.

✓ Extra cover if you have the Dentist and Optician Cashback Option

If you have the Dentist and Optician Cashback Option, we will pay towards the cost of eye tests, prescribed glasses and prescribed contact lenses.

» For more details, see the Dentist and Optician Cashback Option table on page 7

What is not covered under this Option?

We will not pay towards the cost of:

- contact lens check ups
- contact lens solutions
- repairs to non-prescribed glasses
- new frames
- replacements that you need because of accidental damage
- non-prescribed items that you buy as part of an eye care contract scheme.

If you have an eye care contract scheme and want to claim for anything that you have paid for as part of that scheme, please ask your optician for a receipt showing the cost of all the items you have paid for under the scheme.

What you need to claim cashback

If you want to claim cashback under this Option, please ask your optician for full receipts for everything you wish to claim for. We cannot pay any claims without a receipt. Then call us on 0345 600 7696 and we will explain what to do.

4.19 > Mechanical heart pumps (Ventricular Assist Devices (VAD) and Artificial Hearts)

There is no cover for the provision or implantation of a mechanical heart pump. There is also no cover for the long-term monitoring, consultations, check-ups, scans and examinations related to the implantation or the device.

4.20 > Mental health

Our cover for mental health depends on whether you have the Mental Health Option.

- ✗ If you do not have the Mental Health Option, we do not cover any **treatment** of psychiatric illness.

✓ Extra cover under the Mental Health Option

If you have the Mental Health Option, we will cover your **treatment** for psychiatric illness.

This includes:

- **in-patient** and **day-patient treatment** in hospital
- **out-patient treatment**.

» [For more details, see the Mental Health Option table on page 6](#)

All your other **policy** rules still apply to your cover.

How does my Six week Safety net affect cover under the Mental Health Option?

The Six week Safety net still applies to cover under the Mental Health Option. This means that you do not have cover for urgent **in-patient** or **day-patient** psychiatric **treatment**, as this will be available on the NHS within six weeks of the date you need it. If you need **in-patient** psychiatric **treatment**, it is usually needed urgently so it is unlikely that you would get cover on your **policy**.

You will still have cover for **treatment** that you cannot get on the NHS within six weeks of when you need it.

What happens if I need to go into hospital for a psychiatric condition?

If you need to go into hospital for **in-patient** or **day-patient treatment** of a psychiatric condition, the hospital will contact us to check your cover before you go in. If your **treatment** is covered, we will agree to pay the hospital for an initial period of time in hospital. The hospital will tell you how long this period is.

If you need to stay in hospital for a longer period, we will ask your **specialist** why you need further **treatment**, and let you know if we agree to cover the extended stay.

What if my condition goes on for a long time?

Our normal rules on **chronic conditions** apply to mental health problems. So if your condition becomes chronic, unfortunately we may no longer be able to cover your **treatment**. If this happens, we will contact you beforehand so that you can decide whether to start paying for the **treatment** yourself, or to transfer to the NHS.

» [For more details, see 3.5](#)

What is not covered under the Option?

Even if you have the Mental Health Option, we do not cover any **treatment** connected in any way to:

- an injury you inflicted on yourself deliberately
- a suicide attempt
- alcohol abuse
- drug or substance abuse.

4.21 > Natural ageing

We do not pay for **treatment** of symptoms generally associated with the natural process of ageing. This includes **treatment** for the symptoms of puberty and menopause.

4.22 > Nuclear, biological or chemical contamination and war risks

We do not cover **treatment** you need as a result of nuclear, biological or chemical contamination.

We do not cover **treatment** you need as a result of war (declared or not), an act of a foreign enemy, invasion, civil war, riot, rebellion, insurrection, revolution, overthrow of a legally constituted government, explosions of war weapons, or any similar event.

We do cover **treatment** due to a **terrorist act** so long as the act does not cause nuclear, biological or chemical contamination.

4.23 > Organ or tissue donation

If you plan to donate an organ or tissue as a live donor, or receive an organ or tissue from a live donor, please call us so that we can tell you what support we offer.

What we don't cover

We do not pay for:

- the cost of collecting donor organs or tissue
- any related administration costs – for example, the cost of searching for a donor
- any costs towards organ or tissue donation that is not done in line with appropriate regulatory guidelines.

4.24 > Pregnancy and childbirth

As pregnancy and childbirth are not **medical conditions** and because the NHS provides for them, our cover is limited.

We don't cover the normal checks or other interventions, such as monitoring and screening, that you will have during pregnancy and birth. However, if you develop a **medical condition** while pregnant or giving birth, we may cover it.

What is covered?

We will cover the additional costs for **treatment of medical conditions** that arise during pregnancy or childbirth. These conditions are generally urgent and the NHS will usually treat them quickly. As you have chosen the Six week Safety net, this means it is likely that you will get your **treatment** on the NHS.

 Because our cover for pregnancy and childbirth is limited, please call us on 0345 600 7696 to check what you are covered for before starting any private **treatment**.

 If you have a baby, we can often add them to your policy from birth. However, if the baby was born after fertility **treatment** or assisted reproduction, there are a few limits on our cover. Please call us on 0345 600 7696 so we can explain what we can cover.

4.25 > Reconstructive surgery

We do cover reconstructive **surgery**, but only in certain situations.

What is covered?

We will cover your first reconstructive **surgery** following an accident or **surgery** for a **medical condition** that was covered by your **policy**. We will do this so long as:

- you had continuous cover with us before the accident or **surgery** happened
- we agree the method and cost of the **treatment** in writing beforehand.

In the case of breast cancer the first reconstructive **surgery** means:

- one planned **surgery** to reconstruct the diseased breast
- one further planned **surgery** to the other breast, when it has not been operated on, to improve symmetry
- nipple tattooing, up to 2 sessions.

Please call us on 0345 600 7696 before agreeing to reconstructive **surgery** so we can tell you if you are covered.

What is not covered?

We do not cover **treatment** that is connected to previous reconstructive **surgery** or any cosmetic operation to a reconstructed breast.

» See also 4.7

4.26 > Rehabilitation

We do cover **in-patient** rehabilitation for a short period, but there are some limits to our cover.

What is covered for rehabilitation?

We will cover **in-patient** rehabilitation for up to 28 days, so long as:

- It is part of **treatment** that is covered by your **policy**.
- A **specialist** in rehabilitation is overseeing your **treatment**.
- You have your **treatment** in a rehabilitation hospital or unit that is included in the **hospital list**.
- The **treatment** can't be carried out as a **day-patient** or an **out-patient**, or in another suitable location.
- We have agreed the costs before you start rehabilitation.

If you have severe central nervous system damage following external trauma or accident, we will extend this cover to up to 180 days of **in-patient** rehabilitation.

 If you need rehabilitation, please call us on 0345 600 7696, as we will need to confirm that we recognise the hospital or unit where you are having the rehabilitation.

4.27 > Self-inflicted injury and suicide

We do not cover **treatment** you need as a direct or indirect result of a deliberately self-inflicted injury or a suicide attempt.

4.28 > Sexual dysfunction

We do not cover **treatment** for sexual dysfunction or anything related to sexual dysfunction.

4.29 > Social, domestic and other costs unrelated to treatment

We do not cover the costs that you pay for social or domestic reasons, such as home help costs.

We do not cover the costs that you pay for any reasons that are not directly to do with **treatment** such as travel to or from the place you are being treated.

4.30 > Sports related treatment

We do not cover **treatment** you need as a result of training for or taking part in any sport for which you:

- are paid
- receive a grant or sponsorship (we do not count travel costs in this), or
- are competing for prize money.

4.31 > Sterilisation

We do not cover:

- sterilisation
- any consequence of being sterilised
- reversal of sterilisation
- any consequence of a reversal of sterilisation.

4.32 > Teeth and dental conditions

Our cover for treating teeth and dental conditions depends on whether you have the Extra Care Option or Dentist and Optician Cashback Option. If you do not have either Option, your **policy** will not cover dental problems or any routine dental care.

Cover for all

You do not have cover for treating dental problems or any routine dental care including oral **surgery**, this also means we will not pay any fees for dental **specialists**, such as orthodontists, periodontists, endodontists or prosthodontists.

✓ Extra cover if you have the Extra Care Option

If you have the Extra Care Option, we will cover the following types of oral **surgery** when you are referred for **treatment** by a dentist:

- reinserting your own teeth after an injury
- removing impacted teeth, buried teeth and complicated buried roots
- removal of cysts in the jaw (sometimes called enucleation).

✓ Extra cover if you have the Dentist and Optician Cashback Option

If you have the Dentist and Optician Cashback Option, we will pay towards your dentist's fees, as shown in the table on page 7. We will pay for fees that you have paid directly to a dentist or dental hygienist, so long as they are registered with the General Dental Council.

If you have a dental care contract scheme (such as Denplan), we will not pay for any premiums you have paid for this scheme.

What you need to claim cashback

If you want to claim cashback under this Option, please ask your dentist for full receipts for everything you wish to claim for. We cannot pay any claims without a receipt. Then call us on 0345 600 7696 and we will tell you what to do next.

4.33 > Treatment abroad and restrictions if you live outside of the UK

We do not cover any costs for **treatment** you receive outside the **UK**. We do not cover any costs or for treatment if you live outside the **UK**. If you are going to live outside of the **UK** please call us on 0800 587 0957 as you may be able to set up a new policy with our international team.

4.34 > Treatment that is not medically necessary

Like most health insurers, we only cover **treatment** that is medically necessary. We do not cover **treatment** that is not medically necessary, or that can be considered a personal choice.

4.35 > Varicose veins

We do cover **treatment** of varicose veins, but only in certain circumstances.

What is covered?

We will cover one **surgical procedure** per leg to treat varicose veins, for the lifetime of your membership with us. This may be foam injection (sclerotherapy), ablation or other **surgery**.

We will cover one follow up consultation with your specialist and one simple injection sclerotherapy per leg to treat residual or remaining veins when it is carried out in the 6 months after you've had the main **surgical procedure**.

What's not covered?

We do not cover more than one **surgical procedure** per leg, regardless of how long you stay a member with us.

There is no cover for the **treatment** of recurrent varicose veins under your **policy**.

» [Please see 3.5](#)

There is no cover for the **treatment** of thread veins or superficial veins.

4.36 > Warts

We do not cover **treatment** of skin warts.

4.37 > Weight loss treatment

We do not cover **treatment** for weight loss.

What is not covered?

We do not cover any fees for any kind of bariatric (weight loss) surgery, regardless of why the surgery is needed. This includes fitting a gastric band, creating a gastric sleeve, or other similar **treatment**.

5 Managing your policy

5.1 > Adding a family member or baby

5.2 > Paying your excess

5.3 > Keeping us informed

5.4 > If you move abroad

5.5 > Paying income tax on your premium

5.6 > Cancelling your policy

5.7 > Leaving your employer

5.8 > Making a complaint

5.1 > Adding a family member or baby

Whether you can add **family members**, including babies, to your cover will depend on the agreement we have with your employer. Depending on your agreement with your employer, there may be restrictions on when you can add **family members**.

 Please contact your group secretary if you wish to add a **family member** or baby.

Who you can add

You can normally add:

- Your partner. It does not matter whether you are married, in a civil partnership, or living together permanently in a similar relationship.
- Any of your children or your partner's children.

If you would like to add a new baby to your cover, you can normally do this from their date of birth, so long as you contact us within three months of their birth. We normally will not need details of their medical history.

Babies born after fertility treatment, or following assisted reproduction, or who you have adopted

You can add a baby born after fertility **treatment**, or following assisted reproduction (such as IVF), or who you've adopted, to your policy. As with most health insurance, our cover for **treatment** has a few limits in these situations.

If a baby is born after fertility **treatment**, or following assisted reproduction, or if you have adopted a baby:

- We may ask for more details of the baby's medical history.
- We will not cover any **treatment** in a Special Care Baby Unit or paediatric intensive care.
- We may add other conditions to the baby's cover. For example, we may limit their cover for **pre-existing conditions**.

We count fertility **treatment** as taking any prescription or non-prescription drug or other **treatment** to increase fertility.

5.2 > Paying your excess

Your policy statement will tell you if you have an excess and how much it is. This section tells you how to pay it.

If you have an excess

If you have an excess on your **policy**, you can see the amount on your **policy** statement in your **policy** guide. Here is how excesses work:

- We will take your excess off the amount covered by your **policy** for the first claim for each person in each **policy year**. For example, if the claim was covered for £800, and the excess was £100, we would pay £700.
- If your claim is for a **treatment** that has a limit we will apply the limit before we take the excess off.
- We count the **treatment** costs for each **year** according to the date the **treatment** took place.
- Even if **treatment** costs less than your excess, please tell us about it so we can make sure we take this into account if you claim again that **year**.
- Your excess applies per person. So if two people covered by your **policy** claim, we will take the excess off both their claims.
- We only take off the excess once per person per **policy year**. So even if you claim several times, we will only take the excess off once. It does not matter whether you claim several times for the same **medical condition**, or for several **medical conditions**.
- It also applies for each **policy year**. This means that if you incur costs during this **policy year**, we will take the excess off what we pay for your claim. If you then incur more costs in the next **policy year**, even if it's for the same condition, we will take the excess off that claim.

- If your claim goes over your renewal, we will take the excess off the amount we pay for your claim before renewal, then we will take the excess off the amount we pay for your claim after renewal.

If you have any questions about how your excess works, please call us on 0800 587 0957.

» [You can find an example of how we work out the excess below](#)

Claims that you do not have to pay an excess for

If you claim for any of the following, you will not need to pay an excess:

- NHS radiotherapy and chemotherapy cash benefit
- If you have the Extra Care Option: NHS cash benefit or chiropody or podiatry
- If you have the Dentist and Optician Cashback Option: any claim for dentist's fees, optician's fees or eye tests
- If you have the Extra Cancer Cover Option: any claim for wigs or hospice donations
- If you have Private GP Cover Option: Doctor@Hand consultations.

The excess will apply to all other benefits, including the 'Fees for visits to a private GP for consultations' benefit if you have the Private GP Cover Option.

If you would like to change or add an excess

Adding an excess, or increasing the amount of your excess, helps to lower your premium.

If you would like to change or add an excess, you can normally do this:

- within 14 days from when you receive your policy documents
- when you renew.

Call us on 0800 587 0957 and we will set this up for you.

An example of how we work out the excess

Excesses can be complicated, so we've included an example of how it works here.

Situation:

- Ann has the Enhanced Out-patient Option, which has a limit of £1,000 for **out-patient treatment** (as shown in the table on page 5)
- She also has an excess of £100.

Here's how it works:

- 1 Ann has a medical problem that is covered by her Option. She claims for £700 for **out-patient treatment** (her first claim for the **year**).
- 2 We apply the £100 excess, so Ann pays the first £100 of the claim.
- 3 We then pay the remaining £600 directly to the hospital.

4 We take the whole £700 cost of the claim off Ann's £1,000 limit for **out-patient treatment** (not just the £600 that we paid). So she now has £300 left for **out-patient treatment** for the rest of the **year**.

5 A month later, but in the same policy **year**, Ann needs some more **out-patient treatment** that's covered by her Option. This costs £450.

Ann doesn't need to pay any excess, because she has already paid her full excess in this **policy year**. But she only has £300 left from her Enhanced Out-patient Option limit.

So we'll pay £300 towards the cost. Ann will need to pay the remaining £150 herself to the hospital.

5.3 > Keeping us informed

If any of your personal details change, it's important that you let us know as soon as possible. If you're unsure whether the change is important, it's best to tell us and we can explain if it affects your **policy**.

Changes you must tell us about?

If you send us any form, and anything changes between the time you send the form and the time we confirm that we have made the change shown in the form, you must tell us.

5.4 > If you move abroad

If you move abroad, you won't be able keep your current **policy** and you will not be able to make any claims. Please call us on 0800 587 0957 to discuss your options.

5.5 > Paying income tax on your premium

You will have to pay income tax on the premiums paid by your employer.

5.6 > Cancelling your policy

As your **policy** is part of a group scheme that has been arranged by your employer you are not able to cancel it.

5.7 > Leaving your employer

We'll try to get in touch with you when we know that you're leaving your employer.

Call us on 0800 028 2915 when you know you're leaving

If you leave the employer that provides this policy, it's quick and easy to transfer to a personal policy.

When you transfer to a personal policy with similar cover, we can usually continue to cover any existing medical conditions without the need for medical underwriting – so you won't have to fill in any forms or have a medical examination.

Call us as soon as you know you're leaving as you may find it difficult to get continued cover for any existing or previous medical conditions later.

We'll arrange everything over the phone.

5.8 > Making a complaint

Our aim is to make sure you're always happy with your **policy**. If things do go wrong, it's important to us that we put things right as quickly as possible.

Making a complaint

If you want to make a complaint, you can call us or write to us using the contact details below.

To help us resolve your complaint, please give us the following details:

- your name and policy number
- a contact phone number
- the details of your complaint

Answering your complaint

We'll respond to your complaint as quickly as we can.

If we can't get back to you straight away, we'll contact you within five working days to explain the next steps.

We always aim to resolve things within eight weeks from when you first told us about your concerns. If it looks like it will take us longer than this, we will let you know the reasons for the delay and regularly keep you up to date with our progress.

The Financial Ombudsman Service

You may be entitled to refer your complaint to the Financial Ombudsman Service. The ombudsman service can liaise with us directly about your complaint and if we can't fully respond to a complaint within eight weeks or if you are unhappy with our final response, you can ask the Financial Ombudsman Service for an independent review.

Your legal rights

None of the information in section 5.8 affects your legal rights.

6 Legal information

6.1 > Rights and responsibilities

6.2 > Our authorisation and regulation details

6.3 > The Financial Services Compensation Scheme (FSCS)

6.4 > Your personal information

6.5 > What to do if somebody else is responsible for part of the cost of your claim

6.6 > What to do if your claim relates to an injury or medical condition that was caused by another person

6.1 > Rights and responsibilities

This section sets out the rights and responsibilities you, your employer and we have to each other.

Your policy

Your **policy** is for one **year**.

Only those people listed in the **company agreement** can be members of this **policy**.

All cover ends when the **policyholder** stops working for the **company** or if the **company's** group membership ends.

We will pay for covered costs incurred during a period for which the subscription has been paid.

We will confirm the date that the **policy** starts and ends, who is covered, and any special terms that apply.

Your membership statement is proof of your cover. We may charge you £25 plus VAT if you ask us to provide a copy of your membership statement.

Renewal

At the end of each **policy year**, we will contact the **company** to tell them the terms the **policy** will continue on if the policy is still available. We will renew the **policy** on the new terms unless the **company** asks us to make changes or tells us they wish to cancel. You will be bound by those terms.

Providing us with information

Whenever we ask you to give us information, you will make sure that all the information you give us is sufficiently true, accurate and complete for us to be able to work out the risk we are considering. If we later discover that it is not, we can cancel the **policy** or apply different terms of cover in line with the terms we would have applied if the information had been presented to us fairly.

You must write and tell us if you change your address.

Our right to refuse to add a family member

We can refuse to add a **family member** to the **policy**. We will tell the **policyholder** if we do this.

Subrogated rights

We, or any person or company that we nominate, have subrogated rights of recovery of the **policyholder** or any **family members** in the event of a claim. This means that we will assume the rights of the **policyholder** or any **family members** to recover any amount they are entitled to that we have already covered under this **policy**.

For example, we may recover amounts from someone who caused injury or illness, or from another insurer or a state healthcare provider.

The **policyholder** must provide us with all documents, including medical records, and any reasonable assistance we may need to exercise these subrogated rights.

The **policyholder** must not do anything to prejudice these subrogated rights.

We reserve the right to deduct from any claims payment otherwise due to you an amount that will be recovered from a third party or state healthcare provider.

What happens if you break the terms of your policy

If you break any terms of your **policy** that we reasonably consider to be fundamental, we may do one or more of the following:

- refuse to pay any claims;
- recover from you any loss caused by the break;
- refuse to renew your **policy**;
- impose different terms to the cover;
- end your **policy** and all cover immediately.

If you (or anyone acting on your behalf) claim knowing that the claim is false or fraudulent, we can refuse to pay that claim and may declare your **policy** void, as if it never existed. If we have already paid the claim we can recover what we have paid from you.

If we pay a claim and the claim is later found to be wholly or partly false or fraudulent, we will be able to recover what we have paid from you.

International sanctions

We will not do business with any individual or organisation that appears on an economic sanctions list or is subject to similar restrictions from any other law or regulation. This includes sanction lists, laws and regulations of the European Union, United Kingdom, United States of America or under a United Nations resolution. We will immediately end cover and stop paying claims on your **policy** if you or a **family member** are directly or indirectly subject to economic sanctions, including sanctions against your country of residence. We will do this even if you have permission from a relevant authority to continue cover or subscription payments under a **policy**. In this case, we can cancel your **policy** or remove a **family member** immediately without notice, but will then tell you if we do this. If you know that you or a **family member** are on a sanctions list or subject to similar restrictions you must let us know within 7 days of finding this out.

What happens if the company agreement ends

If the **company agreement** ends, you can apply to transfer to another **policy**.

Legal rights

Each **family member** may make individual claims under the **policy**, which may be without the knowledge of the lead member in accordance with our approach to personal data. However, only the **policyholder** and we have legal rights under this **policy**. No clause or term of this **policy** will be enforceable, by virtue of the Contract (Rights of Third Parties) Act 1999, by any other person, including any **family member**. Consequently, the **policyholder** remains liable for excesses and shortfalls incurred by a **family member** under the **policy**.

Law applying to your policy

You and we are free to choose the law that applies to your **policy**. The law of England and Wales will apply unless you and we agree otherwise.

Language for your policy

We will use English for all information and communications about your **policy**.

6.2 > Our authorisation and regulation details

AXA PPP healthcare is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority.

The FCA sets out regulations for the sale and administration of general insurance. We must follow these regulations when we deal with you.

Our financial services register number is 202947.

You can check details of our registration on the FCA website: fca.org.uk

6.3 > The Financial Services Compensation Scheme (FSCS)

AXA PPP healthcare is a participant in the Financial Services Compensation Scheme (FSCS). The Scheme may act if it decides that an insurance company is in such serious financial difficulties that it may not be able to honour its contracts of insurance. It may do this by:

- providing financial assistance to the insurer
- transferring policies to another insurer
- paying compensation to policyholders.

The Scheme was established under the Financial Services and Markets Act 2000 and is administered by the Financial Services Compensation Scheme Limited. You can find more information about the scheme on the FSCS website: fscs.org.uk.

6.4 > Your personal information

Please make sure that all **members** are aware of the information in this section.

Protecting your information

AXA PPP healthcare Limited, Health-on-Line and any intermediaries or reinsurers involved in your **policy** will deal with all personal information you supply in the strictest confidence. We will comply with all the provisions of the Data Protection Act (1998).

We use other companies to do some of our work for us and to run and improve our computer systems. Some of these are in countries outside the European Economic Area (EEA), including some where the laws protecting personal information may not be as strong as in the EEA. We take steps to ensure that any companies and intermediaries that we use give an appropriate level of protection.

How we will use your information

We will process information about you that may be supplied by you, the **family members** who are covered, healthcare providers or your employer (if applicable).

We may contact healthcare providers for further information, for example to clarify an invoice, discuss an extension to a stay in hospital, or to get copy medical records. If we need your consent to do this, we will get it from you first.

Your data will be used to:

- provide the services set out under the terms of this **policy**
- administer your **policy**
- develop customer relationships and services.

It will be held and used by Health-on-Line, AXA PPP healthcare Limited and any intermediaries involved in your **policy**.

As well as communicating with your healthcare providers we provide non sensitive information to your intermediary (if you use one).

Information about family members

When you give us information about **family members**, we will take this as confirmation that you have their consent to do so.

We will send most correspondence about the **policy**, to the **policyholder**. We take both data protection and medical confidentiality very seriously and aim, where possible, to correspond with each individual member over the age of 16 about their claim. This may mean a **family member** under the age of 18 may make a claim without the knowledge of the **policyholder**, parent or carer, for example, where the healthcare provider has determined the member is competent to consent to the medical **treatment**. If any **family member** over 18 does not want us to correspond with the **policyholder**, they should apply for their own **policy**.

Your data and fraudulent claims and other crimes

If we, or others, suspect that fraudulent claims have been made or other crimes have been committed, we are legally required to disclose information to the relevant law enforcement agencies.

We may disclose information to third parties, including other insurers, to prevent or investigate crime. This includes if there is a reasonable suspicion about fraud or improper claims. This may involve adding non-medical information to databases that other insurers and law enforcement agencies and other anti-fraud organisations will be able to access.

Your data and fitness to practise

We are obliged to notify the General Medical Council or other relevant regulatory body if we have reason to believe a healthcare provider's fitness to practise may be impaired. This may mean that we need to disclose information about a **treatment** episode and your **policy**.

Contacting you about other products and services

We and other members of the **AXA UK Group** may use the information you have provided to tell you about other products and services, such as special offers and healthcare information. These contacts may be by letter, phone, email or mobile message.

You can tell us that you don't wish to receive this information at any time.

6.5 > What to do if somebody else is responsible for part of the cost of your claim

You must tell us if you are able to recover any part of your claim from any other party. Other parties would include:

- an insurer that you have another insurance policy with
- a state healthcare system
- a third party that has a legal responsibility or liability to pay.

We will pay our proper share of the claim.

6.6 > What to do if your claim relates to an injury or medical condition that was caused or contributed to by another person

You must tell us as quickly as possible if you believe someone else or something (i.e. a third party) contributed to or caused the need for your **treatment**, such as a road traffic accident, an injury or potential clinical negligence.

This does not change the benefits you can claim under your **policy** (your "Claim") and also means that you can potentially be repaid for any costs you paid yourself, such as your excess or if you paid for private treatment that wasn't covered by your **policy**. Where appropriate, we will pay our share of the Claim and recover what we pay from the third party.

Where you bring a claim against a third party (a "Third Party Claim"), you (or your representatives) must:

- include all amounts paid by us for **treatment** relating to your Third Party Claim (our "Outlay") against the third party;
- include interest on our Outlay at 8% p.a.;
- keep us fully informed on the progress of your Third Party Claim and any action against the third party or any pre-action matters;
- agree any proposed reduction to our Outlay and interest with us prior to settlement. If no such agreement has been sought we retain the right to recover 100% of our Outlay and interest directly from you;
- repay any recovery of our Outlay and interest from the third party directly to us within 21 days of settlement;
- provide us with details of any settlement in full.

In the event you recover our Outlay and interest and do not repay us this recovered amount in full we will be entitled to recover from you what you owe us and your **policy** may be cancelled in accordance with 'What happens if you break the terms of your policy' on page 34.

Even if you decide not to make a claim against a third party for the recovery of damages we retain the right (at our own expense) to make a claim in your name against the third party for our Outlay and interest. You must co-operate with all reasonable requests in this respect.

The rights and remedies in this clause are in addition to and not instead of rights or remedies provided by law.

If you have any questions please call 0800 048 1206 and ask for the Third Party Recovery team.

7 Glossary

Certain terms in this handbook have specific meanings. The terms and their meanings are listed in this glossary.

Where we've used these terms, we've highlighted these terms in bold they have a specific meaning.

◆ The terms marked with this symbol have meanings that are agreed by the Association of British Insurers. These meanings are used by most medical insurers.

acute condition ◆ – a disease, illness or injury that is likely to respond quickly to **treatment** which aims to return you to the state of health you were in immediately before suffering the disease, illness or injury, or which leads to your full recovery.

AXA UK Group – AXA PPP healthcare Ltd, Health-on-Line Company (UK), Health and Protection Solutions Ltd, trading as SecureHealth and The Health Insurance Group, AXA Insurance UK PLC, Architas Multi-Manager Limited, AXA ICAS Ltd (trading as Active+), The Permanent Health Company Ltd, AXA Services Limited, Aid-Call Ltd. The companies that we mean by AXA UK Group may change from time to time.

» See axapphealthcare.co.uk/group for the current list

cancer ◆ – a malignant tumour, tissues or cells, characterised by the uncontrolled growth and spread of malignant cells and invasion of tissue.

chiropractor – a medical practitioner who meets all of the following conditions:

- is fully registered under the Medical Acts
- specialises in chiropractic treatment
- is registered under the relevant Act
- is recognised by AXA PPP healthcare as a chiropractor for **out-patient treatment**.

» The full criteria we use when recognising medical practitioners are available on request

chronic condition ◆ – a disease, illness or injury that has one or more of the following characteristics:

- it needs ongoing or long-term monitoring through consultations, examinations, check-ups and/or tests
- it needs ongoing or long-term control or relief of symptoms
- it requires your rehabilitation or for you to be specially trained to cope with it

- it continues indefinitely
- it has no known cure
- it comes back or is likely to come back.

cognitive behavioural therapist – a medical practitioner who meets all of the following conditions:

- practices cognitive behavioural therapy
- is recognised by us AXA PPP healthcare as a cognitive behavioural therapist.

We will pay for **treatment** by a cognitive behavioural therapist if both the following apply:

- a **specialist** refers you to them
- the **treatment** is as an **out-patient**.

If the **treatment** is as an **in-patient** or **day-patient**, that **treatment** will be included as part of your **private hospital** charges.

» The full criteria we use when recognising medical practitioners are available on request

company – the company that pays for the group scheme that your policy is part of.

company agreement – our agreement with the company. This agreement sets out who can be covered, when cover begins, how it is renewed, and how premiums will be paid.

day-patient ◆ – a patient who is admitted to a hospital or **day-patient unit** because they need a period of medically supervised recovery, but does not occupy a bed overnight.

day-patient unit – a medical unit where **day-patient treatment** is carried out.

diagnostic tests ◆ – investigations, such as x-rays or blood tests, to find or to help to find the cause of your symptoms.

facility – a **private hospital**, or unit listed in the **hospital list** with which we have an agreement to provide a specific set of medical services.

Some facilities may have arrangements with other establishments to provide **treatment**.

family member – 1) the **policyholder's** current spouse or civil partner or any person living permanently in a similar relationship with the **policyholder**; and 2) any of their or the **policyholder's** children. Children cannot stay on your policy after the renewal date following their 30th birthday.

GP – a general practitioner on the General Medical Council (GMC) GP register.

» We will only accept referrals from your NHS GP practice. If you have the Private GP Cover Option we will also accept referrals from a private GP or Doctor@Hand GP.

hospital list – the list of hospitals, **day-patient units** and **scanning centres** that are available for you to use under the terms of your **policy**.

The list changes from time to time, so you should always check with us before arranging **treatment**. Some **treatments** are only available in certain facilities.

» [The hospital list is on our website at Health-on-Line.co.uk](#)

in-patient ♦ – a patient who is admitted to hospital and who occupies a bed overnight or longer, for medical reasons.

medical condition – any disease, illness or injury, including psychiatric illness.

nurse ♦ – a qualified nurse who is on the register of the Nursing and Midwifery Council (NMC) and holds a valid NMC personal identification number.

osteopath – a medical practitioner who meets all of the following conditions:

- is fully registered under the Medical Acts
- specialises in osteopathy
- is registered under the relevant Act
- is recognised by AXA PPP healthcare as an osteopath for out-patient treatment.

» [The full criteria we use when recognising medical practitioners are available on request](#)

out-patient ♦ – a patient who attends a hospital, consulting room, or out-patient clinic and is not admitted as a **day-patient** or an **in-patient**.

physiotherapist – a medical practitioner who meets all of the following conditions:

- practises physiotherapy
- is recognised by AXA PPP healthcare as a physiotherapist.

If the treatment is as an **in-patient** or **day-patient**, it will be included as part of your **private hospital** charges.

» [The full criteria we use when recognising medical practitioners are available on request](#)

policy – the insurance contract between you and us. The full terms of your policy are set out in the latest versions of:

- any application form we ask you to fill in
- any statement of fact we send you
- this handbook
- your policy statement and our letter of acceptance.

policyholder – the first person named on your policy statement.

practitioner – a dietician, **nurse**, orthoptist or speech therapist that we have recognised.

We will pay for **treatment** by a **practitioner** if both the following apply:

- a **specialist** refers you to them
- the **treatment** is as an **out-patient**.
- If the **treatment** is as an **in-patient** or **day-patient**, that **treatment** will be included as part of your **private hospital** charges.

» [The full criteria we use when recognising practitioners are available on request](#)

Priority Health specialist – a specialist, practitioner, physiotherapist, psychologist, cognitive behavioural therapist, osteopath or chiropractor who meets both of the following conditions:

- is recognised by AXA PPP healthcare
- we have recognised as someone whose fees for covered treatment we will pay in full.

private hospital – a hospital listed in the current **hospital list**.

psychologist – a medical practitioner who meets all of the following conditions:

- practices psychology
- is recognised by AXA PPP healthcare as a psychologist.

We will pay for **treatment** by a psychologist if both the following apply:

- a **specialist** refers you to them
- the **treatment** is as an **out-patient**.

If the **treatment** is as an **in-patient** or **day-patient**, that **treatment** will be included as part of your **private hospital** charges.

» [The full criteria we use when recognising psychologists are available on request](#)

scanning centre – a centre where **out-patient** CT (computerised tomography), MRI (magnetic resonance imaging) and PET (positron emission tomography) is carried out.

specialist – a medical **practitioner** who meets all of the following conditions:

- has specialist training in an area of medicine, such as training as a consultant surgeon, consultant anaesthetist, consultant physician or consultant psychiatrist
- is fully registered under the Medical Acts
- is recognised by AXA PPP healthcare as a specialist.

The definition of a specialist who we recognise for **out-patient treatment** only is widened to include those who meet all of the following conditions:

- specialise in musculoskeletal medicine, sports medicine or podiatric surgery.
- is fully registered under the Medical Acts
- is recognised by us AXA PPP healthcare a specialist.

» [The full criteria we use when recognising specialists are available on request](#)

surgery/surgical procedure – an operation or other invasive surgical intervention listed in the schedule of procedures and fees.

terrorist act – any act of violence by an individual terrorist or a terrorist group to coerce or intimidate the civilian population to achieve a political, military, social or religious goal.

therapist – a medical practitioner who meets all of the following conditions:

- is a practitioner in physiotherapy, osteopathy or chiropractic treatment
- is fully registered under the relevant Acts
- is recognised by AXA PPP healthcare as a therapist for **out-patient treatment**.

» [The full criteria we use when recognising medical practitioners are available on request](#)

treatment ♦ – surgical or medical services (including **diagnostic tests**) that are needed to diagnose, relieve or cure a disease, illness or injury.

United Kingdom (UK) – Great Britain and Northern Ireland, including the Channel Islands and the Isle of Man.

year – the 12 months from your **policy** start date or last renewal date. However, during the first year of membership your **policy** may begin part way through a month but will renew from the first of that month the next year.
